Quality Policy

---

### QUALITY POLICY

#### Our Mission

To provide our customers what they want, when they want it and with the highest quality standards.

#### Goals and Vision

Operating the business to the systems required by the AS9120 & ISO 9001 standards.

Promoting a culture of continual quality improvements and the philosophy of getting things "right the first time".

Maintain beneficial supplier partnerships to ensure that our needs and expectations for products and services are met.

Maintain a participatory work environment, rely on the innate excellence of our staff and provide a culture in which they excel and succeed.

Maintain a passion for continuous improvement and continuously improve processes and training.

Everyone is responsible for the quality within the company and for maintaining high standards.
